

Microsoft Teams

# THE POWER OF TWO

**BRING YOUR CLIENTS A CHAT BASED, VOICE & VIDEO ENABLED WORKPLACE**

## The Partnership

Combining Microsoft Teams and NuWave's carrier-grade network (7+ years without a customer facing outage) guarantees excellent communication for your organization with no limitations.

## Seamless

Microsoft Teams delivers a one-stop solution backed by the voice expertise and resources of NuWave. Microsoft ENDORSES NuWave to deliver a secure and seamless TEAMS Experience.

## Cost Savings

Eliminate the need for on-premise PBX hardware and avoid costly capital expenditures. With a quick deployment time you can benefit from the latest technology with predictable, fixed monthly costs.

70% of Skype for Business enterprise customers are using Teams.

# ABOUT US

NuWave believes you never get a second chance to make a great first impression, so when it comes to NuWave services, we pride ourselves on forging lasting relationships as a strategic partner based on the trust we earn. We measure our value through our customer's eyes, and since 1998 we have connected businesses of all sizes with custom tailored solutions. We offer a full range of voice, data, and managed service options. Our solutions meet business needs by industry and segment over a highly scalable and secure network. With NuWave, you can rest assured your solution is met at the crossroads where market and price leadership, quality, and service intersect. NuWave is the leading voice provider in the United States.

## WHY NUWAVE

-  Per User or Per Trunk/Call Path plans available.
-  Bundle NuWave calling plans to earn monthly commissions (unlike MSFT calling plans).
-  Quick provisioning to get your customers up fast & you earning commissions asap.
-  7+ years without a customer facing outage. Set it and forget it - your customers are happy and your commission are accruing.
-  50% less than MSFT calling plans as we only bill for outbound calls, inbound is UNLIMITED.
-  No need for expensive communication pre-payment credits. No interruption of services as we offer post pay for consumable services. Monthly billing.
-  We are voice experts! World Class, Carrier Grade, Geo Redundant Network.
